VOL. 5. NO. 56 MONESSEN, PA., WEDNESDAY, AUGUST 29, 1906. SIX CENTS THE WEEK

HOME TALENT PERFORMANCE IS NOW BEING REHEARSED

Will be Presented Early in October for the Benefit of the St. Leonard's Roman Catholic Church

Monessen is to have a home talent play this fall which promises to surpass any thing of the kind yet held in the city. The play which is to be a sort of pantomime will be given for the benefit of St. Leonard's Catholic church, under the direction of Mrs. J. F. Butler, who will also likely direct the musical end of the program. Little Golden Hair and the Three Bears is the play that will be produced and which requires a cast of eleven characters. Those who compose the cast are Miss Margaret Travers in the role of Little Golden Hair, Miss Bertha Seifert as Queen, Mr. Geo. Helmholdt as Bard, Mr. Thomas Harris as Big Bruin, Mr. Allexander Eller as Mammy Muff, Miss Ellen Myford as Tiny Cub, Miss Stella Brautegam as Faithful, Miss Gertrude Reaney as Lightfoot, Miss Mildred Herron as Frailty, Miss Gertrude Allison as Airy and Miss Ruby Corwin as Will-o-the-Wisp. A chorus of over a hundred children will also be a feature.

The entire cast including the chorus endulges in daily practice at the opera house and Mrs. Butler under whose direction they are training reports a very satisfactory showing. Two performances are to be given, and if they are nearly so well prepared for their first appearance as present progress indicates, the result will be something exceptionally fine in line of entertainment.

The costumes will be very beautiful while the electrical effects will also be quite gorgeous.

The enthusiasm and energy with which the plans are being perfected by all interested, point toward a very successful production of Dramatic art.

BELLE VERNON YOUTH IS GROUND TO DEATH BY TRAIN.

Was on his way Home from Uniontown when in Attempting to Board a Passing Freight he was Thrown Beneath Wheels.

Harry Hudson a young glass worker is dead at the home of his parents in Belle Vernon, the result of having been run over by a freight train which he was trying to board. The accident which cost young Hudson his life occurred near Vances Mill late last evening. He together with several companions of about his own age left Belle Vernon for Uniontown several days ago, but last night he left the others and started for home. At Vances's Mill he attempted to board a passing freight going at a rate of about thirty miles an hour, but missed his footing and was thrown under the train. His right leg was cut off at the knee and he sustained a fractured skull, his right ear was torn off and he was injured internally.

He was picked up and taken to the Uniontown Hospital where he died a few hours later in the presence of his father who had been sent for. The accident is a most distressing one and the parents of the unfortunate youth who are prominent in Belle Vernon are nearly prostrated. Arrangements for the funeral have not yet been completed.

THE SIDEWALKS

As winter approaches the side walk issue also approaches. Over two years ago the Monessen Council passed an ordinance requiring all property holders abutting on paved streets to lay sidewalks. Some people immediately complied with the conditions of the ordinance but some did not. It seems that every legal action has been taken but to serve notices on the property holders that they must do the work within sixty days or the borough will do it at their expense.

The only satisfaction that can be obtained is that notices were given to the policemen to serve but were never served. That looks to us like a lame excuse for not having the work done before winter sets in. The people don't hold the police force responsible for the duties of council and consequently the criticism falls back where it belongs. The streets and roads committee should have seen that the notices were served at the proper time and council should have authorized the engineer to put down the walks. Sidewalks should be laid first where people travel, other places should be given after consideration.

SEVERAL attempts to burglarize Monongahela homes in the past few days is silent testimony to the popularity of the underground town in the ranks of the light fingered class.

WE understand the Pittsburg and Charleroi Street Railway Company has been trying to make two cars pass on one track. That belongs to the next generation.

Gentlemen: I bought three bottles of your medicine from my druggist. The medicine reached me very good service, but I am sorry to say that the directions here are all cold out of your medicine. I should have bought six bottles instead of three. I will gladly take six bottles of the Nervine and Blood Tonic, and request that you write me, if you are able to read this, for I am rather old to write. I have suffered six years from NERVOUS TROUBLE, caused by a fall, and my whole body is pained in a terrible but no pain. Every doctor I consulted failed to help me, and I was compelled to give up all housework. Then I read your advertisement and bought your medicine, and almost immediately after commencing its use I was a new woman. I hope you will write me at once, and tell me how much money I must send, as I am anxious to get to using your medicine again soon. With most hearty regards, I remain,

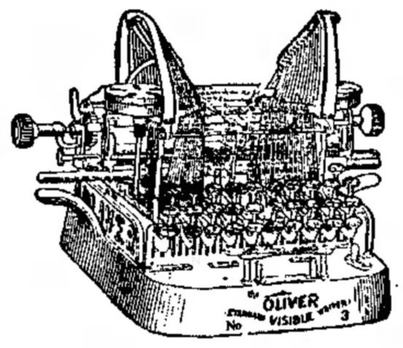
THIS TYPEWRITER DELIVERS THE GOODS

It's the Oliver—the Standard Visible Writer.

The Oliver Typewriter is just like an athlete stripped for a race—



It is free from unnecessary multiplicity of wires and springs

No net work of flimsy keys to get t'ed into hard knots

The nimble fingered stenographer can put talk into type with this machine just as rapidly as she takes your dictation.

For no matter how swiftly she writes, she can see just what she's doing

The keyboard is so wonderfully responsive to the touch of the finger tips that speed comes without effort.

The facters that make for speed are its visible writing, its light, elastic key-touch, and it's all 'round simplicity. It has the fewest possible wearing points, and it prints with a downward stroke.

The OLIVER Typewriter

THE STANDARD VISIBLE WRITER

is a flawless piece of mechanism, combining the strength of tested steel with the perfect adjustment of the works of a watch. You can use an Oliver a life time and the type will not lose alignment

It never suffers from nervous prostration; requires only a little oil and plenty of exercise to keep it at the highest point of efficiency.

The hum of Oliver Typewriters is heard in the most progressive business houses in the land. Sales increasing at a phenomenal rate. Get acquainted with the Oliver! Write for the Oliver book—we send it free with our compliments.

Couldn't Lift Ten Pounds.

Doan's Kidney Pills Brought Strength and Health to the Sufferer, Making Him Feel Twenty-Five Years Younger.

Sick kidneys cause a weak, lame or aching back, and a weak back makes a weak man. Can't be well and strong until the kidneys are cured. Treat them with Doan's Kidney Pills. Here's the testimony of one man cured.

J. B. CORTON.

J. B. Corton, farmer and lumberman, of Deppe, N. C., says "I suffered for years with my back. It was so bad that I could not walk any distance nor even ride in easy buggy. I do not believe I could have raised ten pounds of weight from the ground, the pain was so severe. This was my condition when I began using Doan's Kidney Pills. They quickly relieved me and now I am never troubled as I was. My back is strong and I can walk or ride a long distance and feel just as strong as I did twenty-five years ago. I think so much of Doan's Kidney Pills that I have given a supply of the remedy to some of my neighbors and they have also found good results. If you can sift anything from this rambling note that will be of any service to you, or to any one suffering from kidney trouble, you are at liberty to do so."

A FREE TRIAL of this great kidney medicine which cured Mr. Corton will be mailed on application to any part of the United States. Address Foster-Milburn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box.
